The court adopts the factual findings and guideline application in the presentence report.

OR

 X The court adopts the factual findings and guideline application in the presentence report except (see attachment, if necessary): The amount of cocaine base forseeable to the defendant is between 500 grams and 1.5 kilograms, which results in a base offense level of 36. A two level enhancement for possession of a weapon, pursuant to U.S.S.G. 2D1.1(b)(1), is applicable.

Guideline Range Determined by the Court:

Total Offense Level: 40

Criminal History Category: II

Imprisonment Range: 324 to 405 months

Supervised Release Range: 5 to 5 years

Fine Range: \$ 25,000.00 to \$ 4,000,000.00

 X Fine waived or below the guideline range because of inability to pay.

Total Amount of Restitution: \$

 Restitution is not ordered because the complication and prolongation of the sentencing process resulting from the fashioning of a restitution order outweighs the need to provide restitution to any victims, pursuant to 18 U.S.C. § 3663(a)(1)(B)(ii).

 For offenses that require the total amount of loss to be stated, pursuant to Chapters 109A, 110, 110A, 113A, and 232 of Title 18, restitution is not ordered or nominal restitution is ordered because the economic circumstances of the defendant do not allow for the payment of any amount of a restitution order, and do not allow for the payment of any or some portion of a restitution order in the foreseeable future under any reasonable schedule of payments.

 Restitution is not ordered in an offense against property under Title 18, including any offense committed by fraud or deceit, because the number of identifiable victims is so large as to make restitution impracticable, or because determining complex issues of fact related to the cause or amount of the victim's losses would complicate or prolong the sentencing process to a degree that the requirement to provide restitution to any victim is outweighed by the burden on the sentencing process. 18 U.S.C §3663A(c)(3).

 Partial restitution is ordered for the following reason(s):

 The sentence is within the guideline range, that range does not exceed 24 months, and the court finds no reason to depart from the sentence called for by the application of the guidelines.

OR

 X The sentence is within the guideline range, that range exceeds 24 months, and the sentence is imposed for the following reason(s): deterrence & rehabilitation

OR

 The sentence departs from the guideline range:

 upon motion of the government, as a result of defendant's substantial assistance.

 for the following specific reason(s):
